

Family and friends have established this fund in honor of Jeff Hoeh, to commemorate the positive way he lived and fought his many diseases. Jeff died at age 27, after a 16-year battle with cancer, grave's disease, shingles, and polyradicular neuropathy. The purpose of this fund is to reach out with hope and caring to people who are suffering from cancer or other debilitating diseases. Our primary fundraiser is an all-day Golf Scramble held in July to coincide with Jeff's Birthday. Other donations have come into the fund in memory of people who have died or for other various reasons. We do send acknowledgement to the families and we are very grateful for this as it helps us to support our mission of helping others.

This fund is for directly helping patients and families with catastrophic diseases, to ease the financial burden at home, or to put a little fun back into their lives. We can't change the circumstances, but we can make some things a little better.

In addition, we also have a special dinner party at the Ronald McDonald House (a home away from home for the families of critically ill children at CHMC) on Christmas Eve night for all those who have the misfortune of being there. For us, this is very rewarding and healing, and it shows that Jeff is still touching lives, just as he did when he was here with us.

Many of the things we do are a direct result of something that was done for us while Jeff was sick. All we ever ask in return is that someday, it will be passed on to someone else who is in need.

We assure you that all money raised and donated is like the "Touch of an Angel" in someone's life. We wish everyone could personally experience the joy and love that comes when we are able to make a difference. Words cannot describe it.

Since our founding, we have helped **192** individuals or families with a total of **\$1,494,420.00**.

We sincerely "THANK" all of our families, friends and loyal supporters, and I know God will bless all of you.

If you have any questions, or want further information, feel free to call Julie at 513.218.3678 or email at jghgolfmemorial@yahoo.com.
